To Whom It May Concern:

A search of our records indicates that Toronto International College, located at 500-3550 Victoria Park Avenue, Toronto, Ontario M2H 2N5 has submitted a *Notice of Intention to Operate a Private School (NOI)* for the 2013-2014 school year under BSID 665800 as required by Section 16 of the *Education Act* ('the Act'). The school submitted an NOI for the first time in 2002.

The school has the authority to grant credits in subjects leading toward the Ontario Secondary School Diploma and is inspected by the Ministry of Education.

Under Section 16 of the Act, private schools are required to inform the Ministry annually of their intention to operate. A list of private schools is maintained on the Ministry website at: <http://www.edu.gov.on.ca/eng/general/elemsec/privsch/index.html>.

Credits achieved in inspected private secondary schools are noted on a student's Ontario Student Transcript, which can be transferred to other schools in the province. Schools recognize successful achievement of credits recorded on the Ontario Student Transcript, which is issued by the school that holds the student's Ontario Student Record. Students who have completed all diploma requirements are granted an Ontario Secondary School Diploma.

Sincerely,

A handwritten signature in black ink that reads "Anthony Di Lena".
